Falcon Chemicals LLC

Manufacturing Quality Products Since 1976

COMPANY PROFILE

Falcon Chemicals LLC was established in the United Arab Emirates in 1976 by a prominent international business group with interests in basic and specialty chemicals. Over the years, the company has diversified into several business sectors with a marketing network spread across the Middle East, Africa, Indian Sub-Continent and the Far East.

Today, Falcon Chemicals LLC is one of the leading multi-divisonal manufacturing companies based in a custom built new factory in Jebel Ali Industrial Area, Dubai. We are an ISO 9001, ISO 14001 & GMP certified company and hold G.C.C. duty exemption certification allowing our products import duty exemption across the G.C.C. market.

Our strategic mission is to serve our customers with high quality products at an affordable price. Our years of manufacturing experience, extensive research facilities and active product development program supported by a highly skilled and experienced staff has earned us an unsurpassed reputation throughout our product range and valued clients.
